EXCELLENCE

Partner for Success

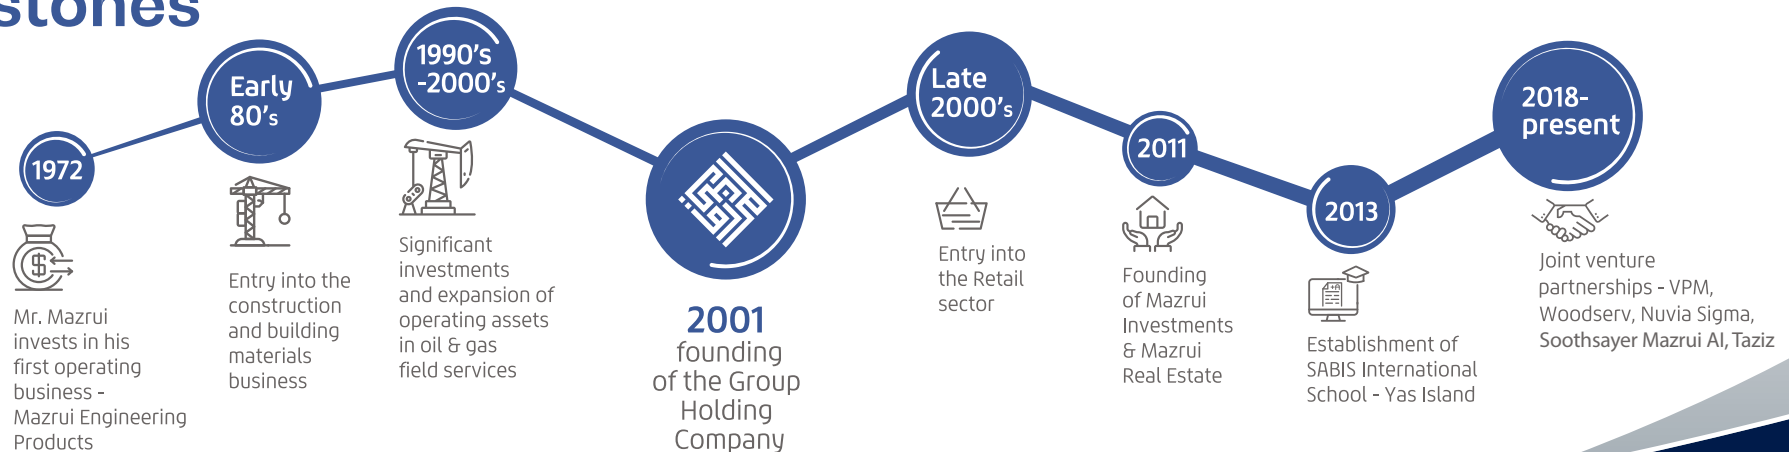

About Mazrui International

Abdullah Mohammed Al Mazrui is an Emirati businessman and entrepreneur from Abu Dhabi. He founded his family business - Mazrui International in 1972.

The group's companies are now market leaders in various sectors including energy, retail, trading, construction & logistics, education, real estate and financial investments with more than 2000 employees from all world's continents.

Mr. Mazrui serves as Chairman for several organizations, including Emirates Insurance Company, International School of Choueifat, Aramex, Jashanmal National Company, and National Catering Co. He is also a board member for Depa, Investcorp, Dun & Bradstreet, and Emirates Specialties Company, and previously chaired the Abu Dhabi Chamber of Commerce.

Milestones

Partner of Choice

We are proud of our strategic partnerships with many of the world's most respected energy sector specialists.

Joint Ventures

Nuclear Service Company

Nuvia Sigma, NUVIA's branch in Abu Dhabi, supports the U.A.E.'s nuclear power industry by providing expertise in design, construction, and maintenance. Leveraging NUVIA's technical excellence, it collaborates with local partners to optimize projects for cost, timelines, and safety, contributing to a sustainable nuclear sector in the region.

Gas Compression Technology

WoodServ, originally a major gas compression technology provider for the GCC's oil, gas, and power sectors, has expanded to become a leading production solutions provider in the MENA region. By utilizing global experience and partnerships with US and European firms, WoodServ offers clients advanced technology and top-notch local service and support.

Oilfield Specialty Chemicals

VPM is a result of a joint venture between Versalis – the petrochemical division of ENI and Petrochem Performance Chemicals – A Mazrui Energy Services company. Setting the collaboration to produce premium Specialty Chemicals for the Oil & Gas industry in the Middle East.

Digitalization & AI

Soothsayer offers tailored AI solutions and top-tier data science advisory, education, and training services across the Middle East. We specialize in designing, developing, and deploying smart algorithms, along with providing expert advisory, architecture, R&D, and training services. Our goal is to build Centers of Excellence for our clients through collaborative efforts, ensuring successful adoption of solutions and enhanced skills for client teams.

Other Investment

Mazrui International [And its energy arm Mazrui Energy Services] is one of eight leading UAE investors signed an investment agreement with Abu Dhabi Chemicals Derivatives Company RSC Ltd [TA'ZIZ], a joint venture between Abu Dhabi National Oil Company [ADNOC Group] and ADQ to invest in an up to 20% stake in a portfolio of chemicals projects worth AED 15 billion [\$4 billion] within the TA'ZIZ Industrial Chemicals Zone in Ruwais, Abu Dhabi.

About Mazrui Energy

Mazrui Energy (ME) has been a trusted partner in both conventional and clean energy markets for over five decades, driving performance, innovation, and progress through a global network of operating businesses and joint ventures.

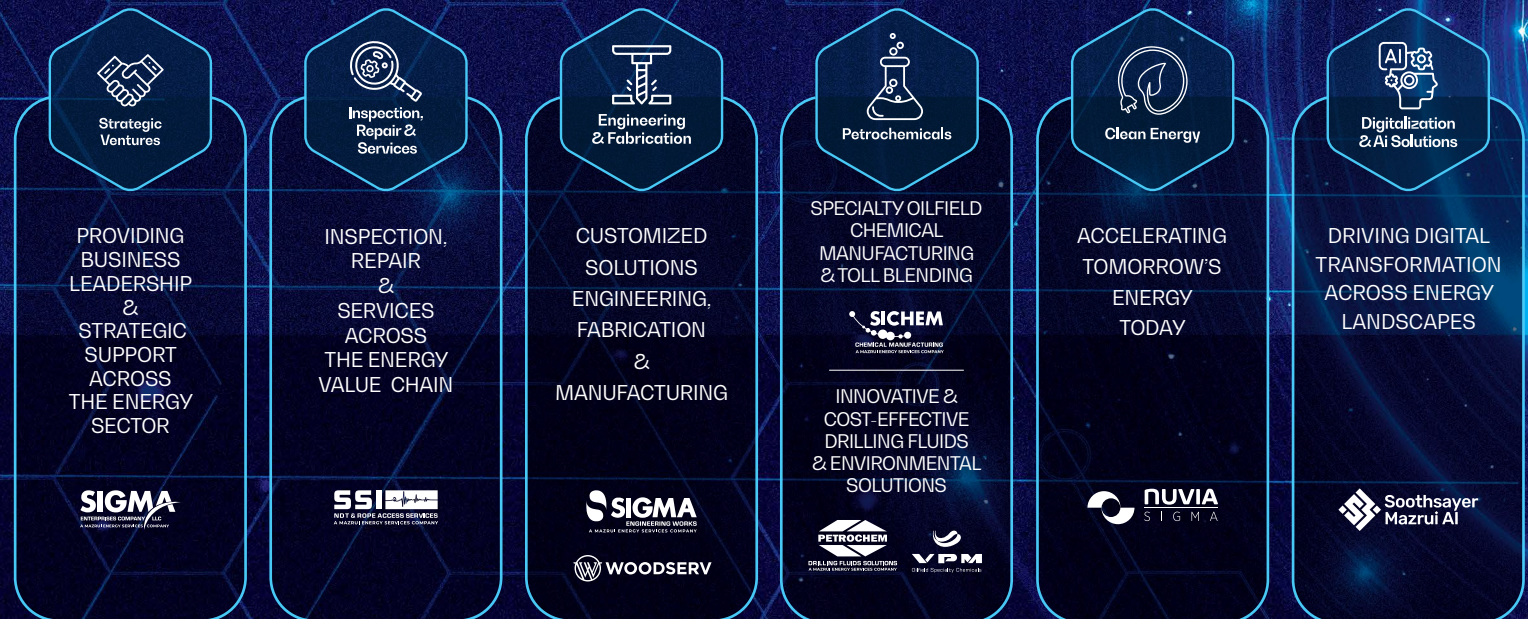

Our foundation is built on long-term partnerships based on collaboration, trust, and shared success. We create value through local manufacturing, in-country value development, and operational efficiency, helping customers achieve sustainable results in an evolving energy landscape.

As a dynamic integrated energy platform, Mazrui Energy connects innovative technical partners to the region, supported by deep market expertise, advanced facilities, and strategic market access across the Middle East and beyond.

Operational excellence defines our approach, from risk management and process safety to workforce well-being and environmental stewardship, strengthening performance and enhancing the energy value chain.

Guided by our purpose to create a more sustainable energy future, we advance decarbonization, carbon capture, waste-to-energy, and unconventional energy initiatives that reduce emissions and enable cleaner operations.

Through innovation, collaboration, and a commitment to excellence, Mazrui Energy continues to power progress and shape the future of energy as your strategic partner for sustainable growth.
